Filled with history and nostalgic charm, Cooperstown offers something for everyone to enjoy. During the spring, summer and early fall guests love strolling the village's delightful Main Street, which is lined with interesting boutiques, galleries, and various restaurants, bars and coffee shops. For art and culture aficionados, groups can enjoy guided tours and activities at [The Farmers' Museum](#), which recreates what life was like on a farm in the early 19<sup>th</sup> century, and [Fenimore Art Museum](#), which houses a rich collection of artwork including American folk art, Hudson River School paintings, and one of the nation's best selections of Native American art. (*Both museums are seasonal, open to the public spring through late fall*). The ideas are endless, and the attractions in Cooperstown offer numerous options and creative ways to make it a distinctive experience for groups of any size.

Additional experiences are available to book while on property, including a round of golf on the resort's [Leatherstocking Golf Course](#) (weather permitting), a treatment at the resort's [Hawkeye Spa](#), and a glass of cheer at the resort's 24-seat outdoor [Fire Bar](#).
